Where can I buy shipping containers for construction?

Shipping containers for construction are available through Mobile Modular Portable Storage. Rent or buy these containers for easy, secure job site storage.

Are construction site storage containers secure?

For temporarily storing valuable equipment and materials, our construction site storage containers are secure and fully customizable. All our portable storage units come with locking door handles and HASP locks as security standards, and they include space-saving accessories to help you stay organized.

Where can I store my construction materials?

Buy materials in bulk and use our sturdy, weather-resistant storage site containers on the job or store them securely at a PODS Storage Center near you. Our construction storage units offer the flexibility to move containers between job sites, or to be kept at a secure, local PODS Storage Center.

What is a pods construction site storage container?

Fortunately, PODS construction storage containers offer all of that and more. PODS construction site storage units are the convenient, flexible, and affordable solution for construction managers, roofers, plumbers, electricians, sheet metal workers, flooring installers, or any construction trade.
