AVID GROUP provide a whole range of SPS (Stand Alone Power Systems) and Containerised Off-Grid Solar Energy Solutions. 20ft and 40ft shipping containers with bolt-on solar arrays and ...

Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, easy to unfold thanks to a sophisticated rail ...

Discover our range of innovative solar panels on shipping container products engineered to meet your renewable energy needs with maximum ...

Australian Solar Container technology works with diesel generators to give clean, quiet, and steady power. Farms and building sites spend less on fuel and make less pollution.

We specialize in advanced energy storage solutions for a wide range of needs. From commercial and industrial projects to residential homes, our products include lithium-ion, sodium-ion, and ...

Our flagship solar and energy storage solution is the Apex Energy BESS, our state-of-the-art containerised battery energy storage unit. Modular, scalable and easily deployed across a ...
