While container prices stabilized, the ripple effect continues. A standard 40HC container that cost \$3,500 pre-2023 now averages \$4,200 - and that's before adding solar components.

To discuss specifications, pricing, and options, please call us at (801) 566-5678. Each container with all of the equipment will weigh less than 16 tons. Fully tested before being shipped.
