What is a container house?

CW Dwellings - Your container home from design to delivery. Why container houses? Why build houses with containers? Containers are an excellent building material for houses, as they are designed to withstand heavy internal and external loads under the most adverse conditions that a house would ever have to endure.

How do I choose a container home?

From single-container homes to multi-unit builds, offices, and heavy-duty commercial setups -- this is where flexibility meets firepower. Choose a container home model and adjust the sliders to calculate when your rental investment will turn profitable. These values should only be used as estimates AND you own your container home as an asset!

Do you own your container home as an asset?

AND you own your container home as an asset! The Porter, currently living as an Airbnb in Johnson City, is our favorite container home project to date. We took the customer's dream and made it come to life with luxurious add-ons, pristine location, and an expansive feel.

Where can I see a prototype of a container house?
