Can I Heat Deli Containers in The microwave?Are Deli Containers Reusable?Do I Need Deli Cups with lids?Any food that's transported in a plastic cup is going to need an accompanying lid. The bumping and jostling of a car ride will slosh your product around, and without a lid, you could end up with lost food, cleaning costs, and lost revenue. Deli containers with lids protect you from this potential expenditure. Not all containers come with lids - som...See more on katom Wasserstrom
