What is a foldable container home?

Designed for quick setup and easy transport, this innovative structure unfolds into a fully functional home in minutes--no heavy construction required. Unlike traditional housing, the Foldable Container Home is built from specially engineered materials, not recycled shipping containers, ensuring enhanced comfort, safety, and durability.

Are container homes suited for Ireland's weather conditions?

Yes, our container homes are well-suited for Ireland's weather conditions. To ensure maximum comfort and efficiency, we offer three insulation options, allowing every client to find the ideal solution:

Do container homes need planning permission in Ireland?

In Ireland, planning permission is typically required for any structure intended for residential use, including container homes, regardless of size. This applies to any container designed for living, sleeping, or long-term accommodation.
