-----  
How do I rent a solar system?

Select the best solar system that fits your energy needs and budget. Complete a quick application and sign the rent-to-buy agreement. Our professional team installs the solar system at your property. Use solar energy and begin saving on your electricity bills right away. Make affordable monthly payments over the agreed term.

How do I pay for my solar system?

Here are some of the options available: Cash Purchase: For those who prefer a single upfront payment, we offer competitive cash purchase prices on all our solar packages. Deposit and Balance: Pay a manageable deposit to secure your chosen solar system, followed by installments spread over a pre-determined period.

How do I buy a solar system?

Deposit and Balance: Pay a manageable deposit to secure your chosen solar system, followed by installments spread over a pre-determined period. This allows you to start enjoying the benefits of solar power while spreading the cost. Loan Options: We partner with reputable financial institutions to offer loan options for solar system purchases.
