We offer a selection of customizable 15kW solar systems ideal for larger homes or commercial use. You can choose between grid-tie with or without battery or off-grid.

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency ...

The Mobil-Grid (R) is the ideal solution for use in isolated areas, for large ground-mounted generators or for parks connected to the grid. For use on isolated sites, storage batteries can ...

Foldable Solar Panel Containers are an innovative solution that is combined with solar power technology and logistical convenience. The mobile solar containers carry ...

The Solarfold photovoltaic container can be used anywhere and is characterized by its flexible and lightweight substructure. The semi ...

The Solarfold photovoltaic container can be used anywhere and is characterized by its flexible and lightweight substructure. The semi-automatic electric drive brings the mobile photovoltaic ...

This is the product of combining collapsible solar panels with a reinforced shipping container to provide a mobile solar power system for off-grid or ...

Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, easy to unfold thanks to a sophisticated rail ...

We deployed three LZY-MS1 folding solar panel containers at a remote mine site in Western Australia and

the results exceeded our expectations. The rapid deployment was impressive.

In remote areas or areas with unstable power, folding solar containers can provide a stable energy supply. It is not only able to support the public grid with big power fluctuations ...

This is the product of combining collapsible solar panels with a reinforced shipping container to provide a mobile solar power system for off-grid or remote locations.

We offer two types of solar containers that differ in design and power output. Besides our flagship, auto-foldable container, we also offer the manual version of this unit.
