Who is Doho electrical equipment & switchgear?

DOHO is one of the top electrical equipment and switchgear companies in the world, specializing in the production of low-voltage and medium-voltage switchgear as well as key components such as circuit breakers, relays, contactors, and protectors.

What is switchgear & how does it work?

Switchgear protects electrical equipment and circuits from damage caused by overcurrent, voltage spikes and other faults in the system. Our goal at DOHO is to be complete solutions provider for all your switchgear product needs.

Why should you choose Doho switchgear?

Being an international switchgear company, DOHO has invariably over the years, invested in modern, state-of-the-art manufacturing facilities, which allow us to produce premium switchgear that meets the most stringent local and international standards.

Our factory and headquarters are located in Minhou County, Fuzhou City, Fujian Province, China, about 60 minutes" drive from Changle Airport and 30 minutes" drive from Fuzhou Railway Station.
