Whether you need high-demand solutions, booster sets, inverter-type pumps, or borehole systems, we provide a selection of top-quality products to meet your specific requirements.

Buy air conditioners in Malta at Prochimps. Energy-efficient split, portable, and inverter ACs for powerful cooling.

The Gennex Technologies 1.2 KVA Inverters is compatible with mains voltage, solar and generator. Built in an anti-dust kit for harsh environments, you get a customized power backup ...

Rated at 1,200 watts (continuous), this true sine wave unit can be operated with low voltage 110/125V DC input current and 230V AC output current. Output nominal frequency is 50Hz, ...

High Frequency Power Inverter/Charger EP1100 Pro 1200VA/2400VA is a modified sine wave inverter applied to ...

QUICK H High Frequency Series of Inverters are modified sine wave inverters with no transformer which makes them light weighted.

Better still, this tough, hard-working, low cost inverter has been upgraded for better performance and more durability. You really get virtually everything ...

Rated at 1,200 watts (continuous), this true sine wave unit can be operated with low voltage 110/125V DC input current and 230V AC output current. ...

Designed for reliability, it supports off-grid and backup applications with seamless solar and battery integration. With a durable, long-life design, it ensures stable performance, energy ...
