What is HF series solar charge inverter?

HF Series is a new hybrid solar charge inverter, which integrates PV charge & Grid (Generator) charge with AC sine wave output. Adopting DPS control algorithm, getting higher response speed, higher reliability, and higher industrial standard. 1.

What is a solar pump inverter?

The solar pump inverter features a compact structure and a rugged casing that is impact-resistant, flame-retardant, aging-resistant, and corrosion-resistant. The 1.5kW pump inverter is expertly insulated, dust-proof, and moisture-proof, ensuring all users' stable, safe, and reliable operation.

Why should you buy a 1.5kw pump inverter?

The 1.5kW pump inverter is expertly insulated, dust-proof, and moisture-proof, ensuring all users' stable, safe, and reliable operation. The robust casing protects internal circuits and electronic components, ensuring the inverter's safety, stability, and reliability, effectively extending the product life.

How to choose a solar pump inverter?

It is recommended that the MPPT range be (250V, 400V), and support AC and DC input. With IP20 protection class, solar pump inverters work in temperature (-10°C, 40°C). The solar pump inverter's humidity is less than 95%RH, widely applied in agricultural irrigation, seawater desalination, etc.

We show you the best offers from leading and verified photovoltaic dealers. Compare prices for solar products with one click and save on every purchase. Make a non-binding inquiry; you ...

1.5 kW hybrid solar inverter is composed of pure sine wave inverter and MPPT solar controller. The MPPT hybrid inverter comes LCD display for showing real-time parameters, optional DC ...

The solar pump inverter features a compact structure and a rugged casing ...

Introducing the powerful 1.5 kW Solar Inverter from Injet New Energy, the trusted wholesale manufacturer,

supplier, and factory of state-of-the-art solar products.

HF Series is a new hybrid solar charge inverter, which integrates PV charge & Grid (Generator) charge with AC sine wave output. Adopting DPS ...

Our company promises all users of the first-class products and the most satisfying post-sale service.

1.5 kW hybrid solar inverter is composed of pure sine wave inverter and MPPT solar controller. The MPPT hybrid inverter comes LCD display for ...

SMA has partnered with select, full-service distributors in the residential, commercial and off-grid segments of the solar industry. Our distribution model is designed to deliver the best of SMA ...

The Growatt 1.5 kW Inverter is a cutting-edge solar inverter designed to optimize the performance of your solar panel system. As a leader in the renewable energy industry, Growatt brings you a ...

The solar pump inverter features a compact structure and a rugged casing that is impact-resistant, flame-retardant, aging-resistant, and corrosion-resistant. The 1.5kW pump inverter is expertly ...

Discover 1.5kw solar inverters with pure sine wave, MPPT efficiency up to 99%, and CE certification. Ideal for off-grid and hybrid systems.

As a trusted provider of power solutions, we offer a high-quality 1.5 kW solar inverter designed to enhance energy efficiency and performance across a variety of applications.
