What are military shipping containers?

Military shipping containers are ISO standardized containers manufactured for the U.S. or another military. These military shipping boxes are made for army,navy,marines,etc.,under IDIQ contracts. However,they are also typically available to civilians through army surplus.

Can civilians buy military shipping containers?

Most manufacturers design military shipping containers only under Indefinite Delivery/Indefinite Quantity (IDIQ) contracts. However,civilians can also buy these containers in some cases,as military surplus. Military containers serve various critical applications,from storage to transit camps and drill boxes.

What is a military storage box?

Therefore,any military storage box or container you choose has been manufactured for or used by the military. Here,purposes range from storage and transit to temporary dwellings and drill boxes. Most importantly,any government surplus shipping containers will be manufactured under an ISO standard.
