We are offering mini renewable power stations in a Off-Grid shipping Container ready to be deployed worldwide. These include solar PV ...

Your choices (get off work, finish work, leave work) will all work fine finishing the question about a normal working day. I don't see much difference in formality, if any.

Hello, Does anyone know what is the difference between "once-off" and "one-off" or whether once-off is used across the English-speaking world? Recently an English colleague ...

We design and engineer custom Solar Power Systems for Oilfield Services, Gas Pipelines, Off-shore Drilling, Injection Sites, Wellhead Locations and Related Oil and Gas Service Companies.

Hello everyone, I learned that the phrasal verb "to cut someone off" can be used meaning "to stop having a close or friendly relationship with someone". My question is: Was ...

Optimized for mid-size factories, desert solar farms, and hybrid grid substations. With 140kW solar and 215kWh battery in a 40ft container, it ...

In BE, "off work" means not working, possibly because of illness, or because you are on leave or have a holiday. Therefore, in BE, your question would make sense.

I am confused about the way to express the time that you are not required to work. Is there any differences in the use of the expressions "day off" and "day leave"?

Alarm goes off: "To go off" means "to trip, to start sounding". Something has triggered the alarm, and it went
