Pay over time with Affirm.

What are battery enclosures & cabinets?

Battery enclosures and cabinets are a safe way to store batteries and to protect them from the elements as well as providing a line of defense against theft.

What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.
