---

Our selection of supercapacitors caters to a range of voltage and wattage needs, to keep South African businesses powered up when traditional energy systems fall short.

The WEST Summit Series Hybrid Supercapacitor Energy Storage System represents the pinnacle of contemporary energy storage technology. With its superior safety features, unparalleled ...

Unlike batteries, Super Caps are manufactured by using a Graphene based composite to store energy electrostatically. Super Caps store more energy and have higher outputs than ...

WEST Supercapacitors are now installed in Hystream Yachts - delivering fast-charging, high-efficiency energy storage without the fire risk of thermal runaway. A safer, smarter solution for ...

WEST modules are scalable energy storage building blocks with an expected lifespan of > 30 years. No regular maintenance is required, and the modules can be serviced in the field.

This article explores why Gitega-based manufacturers like SunContainer Innovations are becoming key players in Africa's energy transition, offering reliable lithium battery solutions for ...

Perfectly suited to meet the diverse needs of South African consumers, Sinetech's supercapacitors are the ideal choice for storing solar energy, powering electric vehicles, and ...

WEST modules can discharge super-fast OR super-slow OR hold a full charge for years without leakage. Our long duration energy storage suits the needs of all end-users.

Our selection of supercapacitors caters to a range of voltage and wattage needs, to keep South African businesses powered up when traditional ...

Super Capacitors VS Lithium. Why does Super Capacitors cost more? For Now Visit WEST"s website or their ...

Unlike batteries, Super Caps are manufactured by using a Graphene based composite to store energy electrostatically. Super Caps store more ...

Our LTO Super Capacitor Batteries offer ultra-fast charging and a lifespan that outlasts traditional batteries by decades. Whether you"re powering essentials or going fully off-grid, enjoy peace ...
