Where to buy original Xiaomi parts?

Purchase repair tools and original Xiaomi parts from official self-service repair store. This online store is operated by a third-party supplier authorized by Xiaomi and specialized in selling original Xiaomi parts. Welcome to Xiaomi global official website to buy your favorite products.

What is a battery cabinet?

A battery cabinet houses and protects the batteries that supply stored energy to a UPS system. It ensures that backup power is readily available whenever primary power is interrupted. Battery cabinets can be installed indoors or outdoors and are designed to provide secure, organized, and scalable energy storage for continuous power delivery.

Where can I buy Xiaomi products?

Welcome to Xiaomi global official website to buy your favorite products. Here you can buy the latest Xiaomi smartphones, Redmi smartphones, Mi Bands, Power banks and other popular products, as well as various irregular discounts, all on mi.com/global.

What is a global power supply battery cabinet?

Global Power Supply provides a full range of battery cabinets engineered to extend UPS runtime, protect sensitive loads, and maintain continuity in any environment. A UPS system provides immediate backup power during an outage. Paired with compatible UPS battery cabinets, your facility gains extended power capacity and greater resilience.
